2º METTING

JAGUAR E-TYPE

Dear Jaguar E-Type Owners,

Following the remarkable success of last year first edition, we are pleased to announce the **2nd Jaguar E-Type Portugal Meeting** — a celebration dedicated to one of the most iconic and timeless automobiles in history.

This will be a special opportunity to reconnect with participants from the previous edition, welcome new owners, and continue strengthening the bonds around the legendary Jaguar E-Type.

The event will once again take place at Quinta do Jordão, in Vila Nova de Gaia, on **June 28 (Sunday)**, in a setting carefully prepared to welcome this unique community of enthusiasts.

Given the exclusive nature of the event and the difficulty in reaching all owners in Portugal, we once again appreciate your help in sharing this invitation with fellow enthusiasts.

To ensure flawless organization, we kindly ask you to confirm your attendance by **June 5**.
