Buyer Fee Overview

Transparent consultancy. Transparent fees

This document provides a transparent overview of the consultancy services and applicable fees relating to our buyer-side consultancy.

Depending on the services requested during our cooperation, one or more of the following fees may apply.

Introduction & Search Fee

Typical services include:

- Identification of suitable vehicles
- Market research
- Controlled introductions to owners, dealers or auction houses
- Initial evaluation of opportunities

The Introduction & Search Fee becomes payable upon confirmation of a successful introduction and is non-refundable.

Vehicle Value	Introduction & Search Fee
up to €60,000	1,500 €
€60,000 – €100,000	2,000 €
€100,000 – €150,000	2,500 €
€150,000 – €200,000	3,000 €
€200,000 – €250,000	3,500 €
above €250,000	Upon request

All fees are exclusive of VAT where applicable.

Inspection & Advisory Fee

An Inspection & Advisory Fee applies whenever an independent vehicle inspection or technical assessment is requested.

This fee includes:

- Vehicle inspection
- Independent evaluation
- Originality assessment
- Technical observations
- Professional buying recommendation

Standard Inspection & Advisory Fee

€2,500

Travel expenses and any third-party costs are charged separately where applicable.

Success Fee

The Success Fee becomes payable only if the Client purchases a vehicle introduced or inspected by the Consultant during the consultancy.

Purchase Price	Success Fee
up to €100,000	2.5 %
€100,000 – €200,000	3.0 %
above €200,000	3.5 %

Important Information

- Fees apply only to the services requested by the Client.
- This Fee Overview forms an integral part of the Buyer Consultancy Agreement.
- All fees are exclusive of VAT where applicable.
- This overview provides general guidance. Individual quotations may vary depending on the scope of the requested consultancy services.
