Selling Your Jaguar E-Type

Independent Verification, Professional Presentation & Sales Support

SELLER MANDATE AGREEMENT

Jaguar E-Type Consultancy, Verification, Listing & Sales Support

§1 Parties

This Seller Mandate Agreement ("Agreement") is entered into between:

The Seller

The legal owner(s) of the Vehicle described in this Agreement.

Name: _____

Address: _____

E-mail: _____

Telephone: _____

Vehicle

Jaguar E-Type – **Chassis No. (VIN):** _____

and

The Consultant

Car Promotion – Maikel Lemke

Independent Jaguar E-Type Consultant

Together referred to as the "**Parties.**"

§2 Purpose of the Agreement

The purpose of this Agreement is to define how the Seller and the Consultant work together during the professional verification, presentation and potential sale of the Vehicle.

The Consultant acts as an independent Jaguar E-Type consultant and intermediary throughout the agreed services.

Any purchase agreement is concluded directly between the Seller and the Buyer.

§3 Scope of Services

Depending on the level of verification selected by the Seller, the Consultant may provide some or all of the following services:

- review and evaluation of documentation supplied by the Seller;
- verification of the Vehicle's identity, originality and historical information;
- independent on-site inspection of the Vehicle, where applicable;
- preparation of photographs, videos and editorial material;
- professional presentation of the Vehicle through the Consultant's marketing channels;
- communication with prospective buyers;
- coordination of viewings and independent inspections; and
- support throughout the sales process until completion.

The exact scope of services depends on the verification level selected by the Seller.

§4 Mandatory Verification Requirement

The Consultant will only represent and market Vehicles that have successfully completed one of the verification procedures described in this Agreement.

No Vehicle will be offered for sale without prior verification.

Verification is intended to improve transparency and buyer confidence and forms an essential part of the Consultant's professional services.

§5 Verification Levels

The Seller may choose between the following verification levels:

§5.1 Verification by Documentation

The Consultant reviews the documentation, photographs and information supplied by the Seller.

The assessment is based exclusively on the material provided. No physical inspection of the Vehicle is carried out.

§5.2 Verified in Person

The Consultant personally inspects the Vehicle on site.

Where reasonably possible, the inspection includes verification of the Vehicle's identity, originality, condition, documentation and visible technical features.

A road test may be carried out where appropriate and with the Seller's consent.

§6 Definition and Limitation of Verification

Verification represents the Consultant's independent professional opinion based on the information available at the time.

It is intended to improve transparency and buyer confidence but does not guarantee originality, condition or future performance.

Hidden defects, future failures and matters that cannot reasonably be identified during the agreed scope of verification remain outside the Consultant's responsibility.

The Seller acknowledges that verification significantly improves transparency but cannot eliminate every possible risk associated with the purchase or sale of a historic vehicle.

§7 Fees and Costs

§7.1 Listing & Verification Fees

The Seller agrees to pay the applicable listing and verification fees in accordance with the current **Car Promotion Fee Table**, which forms an integral part of this Agreement.

These fees cover the preparation, verification, editorial work and professional presentation of the Vehicle. They are payable once the agreed verification process has begun.

§7.2 Inspection, Travel & Additional Services

Where an on-site inspection, travel or additional consultancy services are requested, these are charged separately in accordance with the current **Car Promotion Fee Table**.

Reasonable travel expenses and any agreed third-party costs shall be borne by the Seller.

§8 Sales Commission

If the Vehicle is sold to a purchaser introduced by the Consultant during the term of this Agreement, the agreed sales commission becomes payable in accordance with the current Car Promotion Fee Table.

The commission becomes payable when a binding sales agreement has been concluded, irrespective of when payment for the Vehicle is received.

The Seller agrees to inform the Consultant promptly if such a sale takes place.

§9 Commission Protection

During the agreed mandate period, the Consultant acts as the Seller's exclusive representative for the marketing and sale of the Vehicle.

If the Vehicle is sold to a purchaser introduced through the Consultant's marketing or activities during the term of this Agreement, or within the agreed protection period after its termination, the agreed sales commission remains payable.

§10 Optional Storage, Presentation & Inspection Facility

Where separately agreed, the Consultant may provide secure indoor storage and presentation facilities for the Vehicle.

Storage is offered as an optional service and is subject to availability

Storage Services

The storage service may include:

- secure indoor storage;
- battery maintenance;
- regular inspection of the Vehicle;

- presentation to prospective buyers;
- coordination of viewing appointments; and
- facilitation of independent inspections.

Storage Fees

Storage charges are billed in accordance with the current Car Promotion Fee Table.

Any transport, insurance or specialist maintenance requested by the Seller shall be charged separately unless otherwise agreed.

§11 Seller Declarations

The Seller confirms that:

- they are the legal owner of the Vehicle or are fully authorised to sell it;
- all information supplied to the Consultant is true and complete to the best of their knowledge;
- they will promptly inform the Consultant of any material changes affecting the Vehicle; and
- they will not knowingly withhold information that could influence a purchaser's decision.

The Seller remains solely responsible for the accuracy of all information and documentation provided.

§12 No Guarantee of Sale

The Consultant undertakes to provide professional consultancy, verification and marketing services but does not guarantee the successful sale of the Vehicle.

The Consultant cannot guarantee the time required to achieve a sale or the final selling price.

Any market valuation, recommendation or opinion provided by the Consultant represents an independent professional assessment based on the information available at the time and shall not be interpreted as a guarantee of market value.

§13 Scope of Responsibility

The Consultant performs all services with reasonable care, professional diligence and to the best of their knowledge and experience.

The Consultant's opinions, assessments and recommendations represent an independent professional judgement based on the information available at the time of the verification or consultancy.

The Consultant cannot accept responsibility for hidden defects, future mechanical failures or inaccurate or incomplete information provided by the Seller or third parties.

The final responsibility for the decision to buy or sell the Vehicle remains with the Seller and the Buyer.

§14 Confidentiality

Both Parties agree to treat all non-public information exchanged during the course of this Agreement as confidential.

The Consultant may use photographs, descriptions and technical information relating to the Vehicle for marketing and sales purposes where this forms part of the agreed services or where the Seller has given consent.

Personal information will be handled in accordance with applicable data protection legislation.

This obligation continues after this Agreement has ended.

§15 Governing Law & Jurisdiction

This Agreement is governed by the laws of the Federal Republic of Germany.

The place of jurisdiction for any dispute arising from this Agreement shall be Osnabrück, Germany, unless mandatory legal provisions require otherwise.

If any provision of this Agreement is found to be invalid or unenforceable, the remaining provisions shall remain unaffected.

§16 Final Provisions

This Agreement represents the complete understanding between the Seller and the Consultant regarding the services described above.

Any changes to this Agreement should be made in writing.

The Seller confirms that they have read, understood and accepted the terms of this Agreement, including the attached **Car Promotion Fee Table**, which forms part of this Agreement.
